***Homework assignments and solutions, worksheets, supplementary class handouts, practice exams and solutions, a list of basic mathematics formulas, etc., can be found on my Math 21B homepage.*** Homework will be assigned daily, but will not be collected. *It will be your responsibility to do homework regularly and ask for help when you need it.*

Generally speaking my office hours are an opportunity for you to ask questions and work on problems together with other students. Candy will be provided at no cost.

No make-up exams are given. A missed exam is zero points.

Weekly discussion sheets for the Thursday discussion classes can be found at my Math 21B homepage. These are supplemental problems intended to help you learn the material and prepare for exams. It is your T.A.'s prime responsibility to answer questions about these additional problems in discussion class or office hours. **SOLUTIONS TO DISCUSSION SHEETS WILL NOT BE MADE AVAILABLE.**

The last day to ADD the class : Wednesday, January 25, 2017.

The last day to DROP the class : Monday, February 6, 2017.

Supplementary on-line calculus resources can be found at: <http://www.calculus.org>

Additional pre-calculus and calculus workshops and tutoring are offered by Student Academic Success Center (SASC) in Dutton/South Hall.
