

How to ace MAT 22A

Collaborate!

(E.g. Use smartsite chat window)

Learn to work alone!

Nail the final exam.

If you know how to solve a question:
PRESENT YOUR ANSWER
TIDILY AND LOGICALLY

Do the easiest problem first.

If you don't know what a question is asking:

1. Write down what you think is being asked.
2. Write down any facts you think are relevant.
3. Don't waste time guessing unless desperate!

Assignments

Webworks

1. Skills Homeworks Due Fridays
2. Reading Homeworks Due Every Lecture
