

How to Access Your Course Materials

Accessing MyLab or Mastering Courseware

- Log in to your instructor's course page in [Canvas](#) and click on Bookshelf in the left tool menu.
- To read the e-text, click the Read Now button for the text.
- To access the coursework platform.
 - * Click the [Launch Courseware] button*.
 - * Click the yellow [Open MyLab & Mastering] button.
 - * Read and accept the End-User License Agreement in order to continue registration.
 - * Sign in to your existing Pearson account or create a new one.
 - * Click Go to My Courses to begin your access.

*If you are not participating in Equitable Access, click the [Purchase] button to pay separately by credit card to access the content.

Tech Support

For technical assistance with the courseware platform, please contact Pearson support at <https://support.pearson.com/getsupport/s/>.

For technical assistance with the Bookshelf e-reader, please contact VitalSource support at <http://support.vitalsource.com>.

For more information about the Equitable Access program please visit <http://equitableaccess.ucdavis.edu>.

To contact us with questions about Equitable Access, please email equitableaccess@ucdavis.edu.
